

[1] **Transferrable Courses from Blinn College AAS in Information Technology Administration to UHCL Bachelor of Applied Science degree in Information Technology (BAS-IT) (IT Administration & Management Subplan)**

Courses at Blinn College AAS in Information Technology Administration transfer	# Credits at Blinn	# Credits at UHCL	Courses at UHCL
IMED 1316 Web Design I	3	3	Low level elective (LL)
ITNW 1325 Fundamentals of Networking Technologies	3	3	Low level elective (LL)
ITSC 1325 Personal Computer Hardware	3	3	Low level elective (LL)
ITNW 1454 Implementing and Supporting Servers	4	3	Low level elective (LL)
ITSC 1416 Linux Installation and Configuration	4	3	Low level elective (LL)
ITSE 2409 Database Programming	4	3	ITEC 3335 – Database Development
ANY OF THE FOLLOWING SPEECH COURSES AS LISTED: SPCH 1311, 1315, 1318, 1321, 2335	3	3	Component Area Option
ENGL 1301 Composition and Rhetoric	3	3	Communications
ANY OF THE FOLLOWING ACADEMIC MATH COURSE AS LISTED: MATH 1314, 1316, 1324, 1325, 1332, 1333, 1342	3	3	Mathematics
ITNW 1453 Supporting Network Server Infrastructure	4	3	Approved Elective (UL)
ITSC 2425 Advanced Linux	4	3	In lieu of elective for IT Administration and Management sub-plan (UL)
ITSE 2402 Intermediate Web Programming	4	3	Approved Elective (UL)
ITNW 2364 Practicum (or Field Experience) - Computer Systems Networking and Telecommunications	3	0	<i>Not Transferrable</i>
ITNW 2335 Network Troubleshooting and Support	3	3	Approved Elective (UL)
ITNW 2350 Enterprise Network	3	3	ITEC 4739 - Internship or Upper Level Elective (UL)
ITSY 1342 Information Technology Security	3	3	In lieu of elective for IT Administration and Management sub-plan (UL)

ANY OF THE FOLLOWING SOCIAL/BEHAVIORAL SCIENCE COURSE AS LISTED: ANTH 2302, 2346, 2351; ECON 2301, 2302; GEOG 1302, 1303, 2312; PSYC 2301, 2308, 2319; SOCI 1301, 1306, 2301; SPCH 1318	3	3	Social/Behavioral Science
ANY OF THE FOLLOWING HUMANITIES OR FINE ARTS COURSE AS LISTED: ENGL 2322, 2323, 2327, 2328, 2332, 2333; PHIL 1301, 2306; ARTS 1301, 1303, 1304; DRAM 1310, 2361, 2362, 2366; MUSI 1301, 1306, 1308, 1310	3	3	Creative Arts
Total	60	51	

[2] Remaining Courses to be taken to complete the BAS-IT degree

(A) Remaining Texas Core Lower Level Requirements

Unless stated otherwise, these courses can be taken at either UHCL or community colleges. However, at least a total of 45 credits have to be upper level credits and a minimum of 30 credits must be taken at UHCL. Thus, a student should take from 60 credits to 75 credits at the community colleges. Since GOVT 2301 and GOVT 2302 are not offered at UHCL, students should take them at any community college.

Course	# Credits	Description
Natural Science	3+1 lab	Life and Physical Sciences
Natural Science	3+1 lab	Life and Physical Sciences
Humanities	3	Language, Philosophy and Culture
ENGL 1302	3	Communications
HIST 1301	3	US History I
HIST 1302	3	US History 2
GOVT 2301	3	US and TX Constitutions
GOVT 2302	3	US and TX Institutions
MATH 1342	3	Statistics
PSYC 1100	1	Learning Frameworks
Total TEXAS CORE LOWER LEVEL REQUIREMENTS	30	

(B) Program Core Courses at UHCL

Course	# Credits at UHCL	Description
ITEC 3312	3	Introduction to Scripting

ITEC 3365	3	Network Fundamentals
ITEC 4313	3	Emerging Information Technologies
ITEC 4342	3	IT Project Management
ITEC 4381	3	Forensics Fundamentals
ITEC 4388	3	Senior Projects for Information Technology
CSCI 3303	3	Fundamentals of Programming
MGMT 3301	3	Management Theory and Practice
MGMT 3313	3	Organizational Communications
CINF 3313	3	Programming with Visual Basic
CINF 3311	3	Information Systems Theory and Practice
WRIT 3351	3	Technical Writing
Designated Sub-Plan Elective	3	IT Administration and Management Sub-plan - ITEC 4635 – Network Administration
Total UHCL BAS-IT UPPER LEVEL REQUIREMENTS	39
